New Form Posted: HOPWA Consolidated APR/CAPER Sample Now Available

A sample of the new annual reporting form for all Housing Opportunities for Persons with AIDS (HOPWA) grantees is now posted on [hud.gov](https://www.hud.gov). The new annual reporting form, the HOPWA Consolidated APR/CAPER ([form number HUD-4155](#)), must be used for all HOPWA annual reports due to HUD on or after January 1, 2023. Completion and submission of the HOPWA Consolidated APR/CAPER fulfills the annual reporting requirement, outlined in 24 CFR Part 574.

The HOPWA Consolidated APR/CAPER now collects information at the project sponsor level through customized, Excel-based workbooks emailed to the grantee from HUD (HOPWAReports@hud.gov) annually. Please note that while the actual format of the HOPWA Consolidated APR/CAPER is Excel-based, the sample HOPWA Consolidated APR/CAPER workbooks are displayed in Portable Document Format (PDF). Do not complete or submit the PDF version of the HOPWA Consolidated APR/CAPER. This format is for reference only.

A landing page has been created on HUD Exchange to house all new Consolidated APR/CAPER guidance. If you have any questions on the new HOPWA Consolidated APR/CAPER, please reference the landing page [here](#), or submit a question through HUD's HOPWA Ask-A-Question desk ([AAQ](#)).

*Housing is a structural intervention in ending the AIDS epidemic in the United States.
Each year, HOPWA ensures housing stability for more than 100,000 American households that are low-income and living with HIV.*
