PACHA Meeting to Discuss Ending the HIV Epidemic Progress and More

This message was originally posted in HIV.gov at <https://www.hiv.gov/blog/next-week-pacha-meeting-to-discuss-ending-the-hiv-epidemic-progress-and-more>. HUD Office of HIV Housing Director, Rita Harcrow, will be presenting at the PACHA meeting on Wednesday, June 5 at 3:25pm ET. The agenda and details on how to view the meeting can be found in the message below.

The Presidential Advisory Council on HIV/AIDS (PACHA) will convene for its 81st full council meeting next **Wednesday, June 5, and Thursday, June 6, 2024, in Arlington, Virginia**. Topics on the agenda include:

- What the latest national HIV data say and where stakeholders can find it to inform their work
- Federal agencies' perspectives on progress toward ending the HIV epidemic
- State-level system approaches to achieving health equity from DC, Maryland, and North Carolina health departments
- Anti-LGBTQ+ laws and their impact nationally and globally on the HIV response

During the meeting, PACHA also will engage with:

- ADM Rachel Levine, MD, Assistant Secretary for Health
- Francisco Ruiz, MS, Director of the White House Office of National AIDS Policy
- Jeanne Marrazzo, MD, Director of NIH's National Institute of Allergy and Infectious Diseases
- Members of the HIV community during a **PACHA-to-the-People community listening session on Thursday, June 6, at 12:00 PM (EDT)**

Attend the Meeting or Watch Online

The Council invites interested individuals to attend the meeting in person or online. The meeting will take place from 9:00 AM to 5:00 PM (EDT) on the first day and 9:00 AM to 4:00 PM (EDT) on the second day. The meeting will be livestreamed at www.hhs.gov/live. For those interested in attending in person, the meeting will be held at the DoubleTree Crystal City Hotel at 300 Army Navy Drive in Arlington, Virginia. Due to limited space, pre-registration for in-person participation is encouraged. To pre-register, please email your name, title, and organizational affiliation to PACHA@hhs.gov.

*Housing is a structural intervention in ending the HIV epidemic in the United States.
Each year, HOPWA ensures housing stability for more than 100,000 American households that are low-income and living with HIV.*
